SHAG'N'BAL FESTIVAL 2026

WELCOME TO THE FESTIVAL

First of all - don't print this stuff

We love our environment and we hope that you do too. That's why we have all important information directly on site for you available, as one giant version to see and share.

So there is no need to print final schedules or addresses, as we will have them displayed visibly around the venues.

Welcome to the 6th edition of our beautiful Festival Alpine Jitterbugs - Shag 'n' Bal Innsbruck. It's a huge pleasure to invite you to a weekend full of Collegiate Shag, Balboa and St. Louis Shag!

We believe that such a Festival, surrounded by those incredible "alpine" landscapes, is an unforgettable experience for everyone.

Please allow yourself to dive in and try to find some time outside in the beautiful nature of our mountains!

THE MOUNTAINS

As a country rich in mountains and water, we truly respect nature and all her beings - living in a marvelous balance. We invite you to be a responsible visitor to our city and its surroundings. Alpine-urban cities like Innsbruck invite you to reflect on your consumption and to respect nature in its unavoidable presence.

This is the reason why we are, from the first moment on a Green Event, and try every year to make the festival a little better, more sustainable and more nature friendly.

SHAG'N'BAL FESTIVAL 2026

THE TEAM

We are a bunch of swing enthusiasts, crazy enough to organize this festival for you!

We created our non-profit swing dance association to create a unique and wonderful swing dance scene here in Innsbruck. One that invites international guests and inspires local dancers. We believe in a growing dance scene, which develops in quality and quantity. Our goal is to spread the love and joy of swing dance and to create a colorful swing dance scene, where every human being feels included, accepted and invited into.

WE CARE FOR YOU AND WE WANT YOU TO CARE!

Therefore we strongly ask you to be inclusive and respectful with every person present and take care of yourself and others. We have absolutely no tolerance for racism.

If you have any questions that can't be solved by our amazing team of volunteers and staff members, please feel free to contact us.

We are also very thankful for any constructive feedback, as our aim is to improve our organization constantly.

At this point, we'd like to thank you for your trust in us, for being with us this year, and for making this edition unforgettable for everyone.

OUR SOCIAL RESPONSIBILITY

When we say that we strongly believe in an open and diverse scene we truly mean that.

Even better, that swing dancing and its amazing culture, are not relying on the traditional roles and stereotypes of "male and female". Therefore we would like to heartily welcome all the different people and cultures from out there, to our festival here in Innsbruck - regardless of their gender, identity, origin and everything else.

Please be open minded with us and fully embrace this amazing culture by sharing it unbiased with everybody.

DRINKING WATER

The best way to save resources will be to **drink water from the tap and avoid plastic bottles at all times**. All our locations and organizing partners are informed and on board with that - you are of course allowed to bring your drinking bottles from home and refill them wherever you are at the festival.

If you do not have your own drinking bottle, we offer environmentally friendly and CO2 neutral produced drinking bottles from 720Dgree.

Check out our merch on site!

SHAG'N'BAL FESTIVAL 2026

THANKS FOR CREATING AN UNFORGETTABLE
EVENT TOGETHER WITH US!

YOU ARE AWESOME!
